Jesus didn’t just deliver information but gave His disciples principles, skills, and heart habits to become mature. He holistically equipped equipped His followers to become like Him.

This Curriculum Guide presents an overview of WDA’s current materials and those in development. WDA materials are intentional and reflect the progression in Jesus’ teaching and training of His disciples. The ultimate goal is not information but transformation—to help a disciple grow into Christlikeness.

— About this Curriculum Guide —

At the beginning of each Phase (Phases I, II, III, IV-A, IV-B, V-A and V-B) you will find a brief description of that Phase. Following the description is a list of the workbooks or manuals included in the Phase followed by a list of chapters or lessons in each book.

You will notice throughout the Guide use of the phrases “Teaching Outline”, “Pocket Principle®” and “Guided Discussions”.

A **Teaching Outline** is an outline of the topics and subtopics covered in a specific lesson.

A **Pocket Principle®** is a brief essay, based on a Teaching Outline, that focuses on a single lesson necessary to the growth and maturity of a believer.

A **Guided Discussion** is a group of questions based on the content in the Pocket Principle® ideally discussed during an interactive time within the context of a small group. The major goal of the Guided Discussion is to encourage application of the content.

WDA’s mission is to serve the Church worldwide by developing Christlike character in people and equipping them to disciple others according to the pattern Jesus used to train His disciples.

Phase I

Establishing Faith
Phase I-A: Cultivating Interest

Phase I-A is the phase in which a person hears the Gospel, repents of sin and believes in Jesus as the only way to God. This is the “becoming a Christian” phase. There are many effective presentations of the Gospel available online and in stores.

After the person repents and believes, he needs to begin to know God personally, grow spiritually and learn some basic truths and practices of the Christian life. Who Is God? and Getting Started (below) will help this new believer. NOTE: Who is God? can be adapted and effectively used as an evangelistic resource in Phase I-A.
